Delete a project

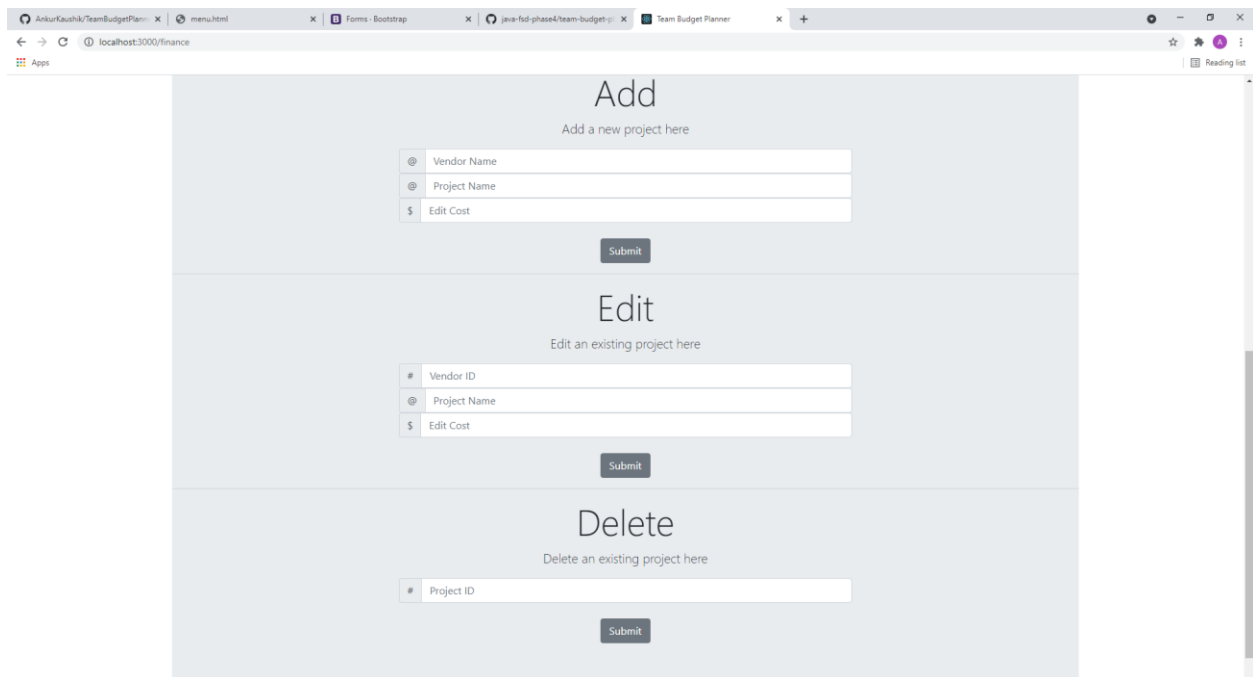

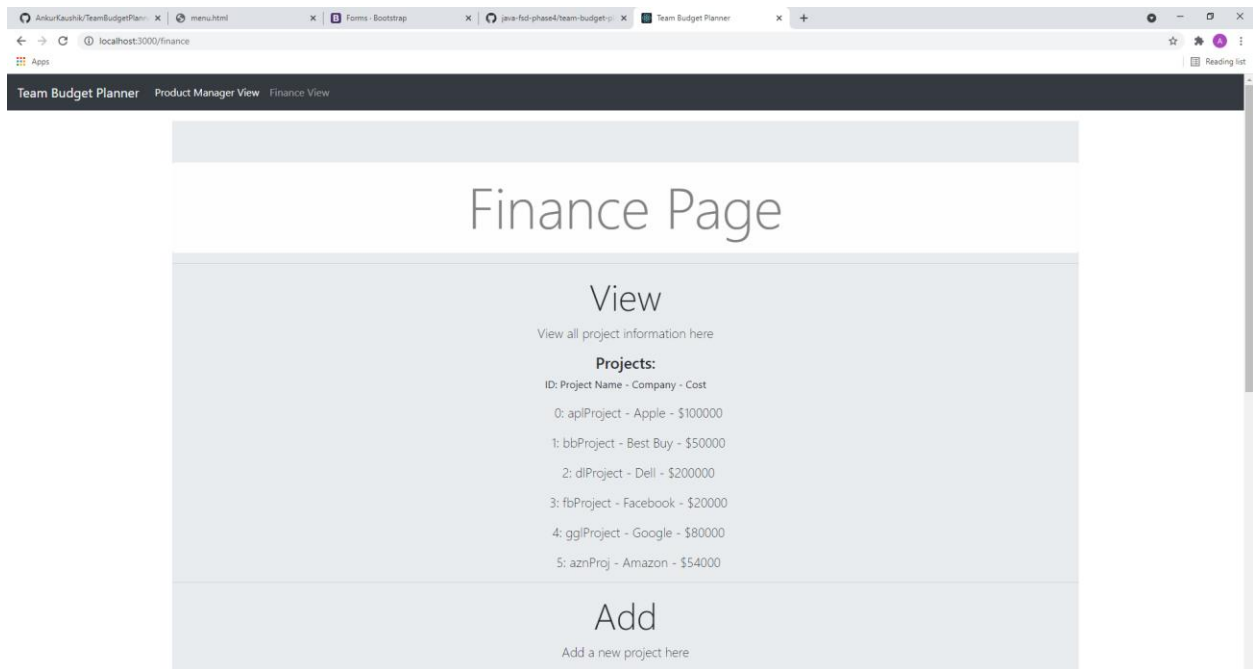

The screenshot shows a web browser window with the URL `localhost:3000/App?`. The page displays a form titled "Delete" with the subtitle "Delete an existing vendor here". The form contains a single input field labeled with a hash symbol (#) and the value "7". Below the input field is a "Submit" button. The browser's tab bar shows several open tabs, including "AnkurKaushik/TeamBudgetPlan...", "menu.html", "Forms - Bootstrap", "java-fsd-phase4/team-budget-pl...", and "Team Budget Planner".

The screenshot shows the "Product Manager Page" of the application. The page has a dark navigation bar at the top with the following links: "Team Budget Planner", "Product Manager View", and "Finance View". The main content area is titled "Product Manager Page" and contains a section titled "View" with the subtitle "View all vendor information here". Below this, there is a list of vendors with their IDs and names:

- Vendors:
- 0: Apple
- 1: Best Buy
- 2: Dell
- 3: Facebook
- 4: Google
- 5: Amazon
- 6: Yahoo

At the bottom of the page, there is a section titled "Add" with the subtitle "Add a new vendor here".
